

Preserving Our Future

It is the exception, and not the rule, for one physician's name to be spoken across the country with the same amount of recognition and reverence; Dr. Richard C. Staab was that physician.

The OSU Internal Medicine program prepares residents who continue to be touched by his legacy; and it is our mission to change the exception into the rule. Every year, this training program graduates approximately ten internal medicine physicians who go on to carry his legacy either into practice or on to fellowship.

We, as their trainers, are committed to each one of these residents and see their potential to change the landscape of osteopathic medicine as Dr. Staab did during his time. Our commitment comes from a place that has been entrenched into our practice and we continue to put forward efforts, such as this symposium, to ensure this legacy is not lost.

Richard C. Staab Internal Medicine Graduate Fund

The fund was initiated for the purpose of supporting the ongoing educational needs of the residents in the Internal Medicine Department at OSU Medical Center. It's through funding such as this, that we are able to maintain the academic integrity of the physicians that OSU Medical Center continually places into the community. In addition, this memorial fund will also pay tribute to Dr. Staab, a prominent oncologist who had ties to Tulsa and understood the mission of training young osteopathic physicians. The proceeds of this symposium are deposited annually into the Richard C. Staab Internal Medicine Graduate fund to support the ongoing educational needs of the residents in the internal medicine department at OSU Medical Center.

Awarding Credits

The Osteopathic Founders Foundation is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. The Osteopathic Founders Foundation designates the Richard C. Staab, D.O. Memorial Symposium for a maximum of sixteen (16) AOA Category 1-A credits. The Osteopathic Founders Foundation will report CME and specialty credits for all osteopathic physicians who complete and return both an attestation form and program evaluation for all sessions attended. Credit will be commensurate with the extent of the physician's participation in this activity.

Saint Francis Health System is accredited by the Oklahoma State Medical Association to sponsor continuing medical education for physicians. Saint Francis Health System designates this live activity for a maximum of 16 AMA PRA Category 1 credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

"America's Health Emergency: The Opioid Crisis" meets the requirements of approval for one (1) hour of CME credit by the Oklahoma State Board of Osteopathic Examiners. Separate sign-in will be required.

This program has been submitted to the Oklahoma State Board of Pharmacy requesting approval of sixteen (16) contact hours of continuing pharmacy education. Approval is currently pending.

Symposium Location

The symposium is held at the A.R. and Marylouise Tandy Medical Academic Building at the Oklahoma State University Center for Health Sciences, located at 1633 Southwest Blvd, Tulsa, OK 74107.

Enrollment/Registration/Fees

Pre-registration is required to allow us to provide the appropriate faculty and materials necessary to meet the program objectives. All program materials and meals are provided.

Registration will be open until **March 27, 2020**. To register go to **www.staabsymposium.com** or call **918-551-7300**.

Registration Fees are as follows:	
\$295.00	On or Before March 13, 2020
\$325.00	After March 13, 2020
\$180.00	Retired Physicians

Refund Policy
