

Preserving Our Future

It is the exception, and not the rule, for one physician's name to be spoken across the country with the same amount of recognition and reverence; Dr. Richard C. Staab was that physician.

The OSU Internal Medicine program prepares residents who continue to be touched by his legacy; and it is our mission to change the exception into the rule. Every year, this training program graduates approximately ten internal medicine physicians who go on to carry his legacy either into practice or on to fellowship.

We, as their trainers, are committed to each one of these residents and see their potential to change the landscape of osteopathic medicine as Dr. Staab did during his time. Our commitment comes from a place that has been entrenched into our practice and we continue to put forward efforts, such as this symposium, to ensure this legacy is not lost.

Richard C. Staab Internal Medicine Graduate Fund

The fund was initiated for the purpose of supporting the ongoing educational needs of the residents in the Internal Medicine Department at OSU Medical Center. It's through funding such as this, that we are able to maintain the academic integrity of the physicians that OSU Medical Center continually places into the community. In addition, this memorial fund will also pay tribute to Dr. Staab, a prominent oncologist who had ties to Tulsa and understood the mission of training young osteopathic physicians. The proceeds of this symposium are deposited annually into the Richard C. Staab Internal Medicine Graduate fund to support the ongoing educational needs of the residents in the internal medicine department at OSU Medical Center.

Target Audience & Objectives

This conference provides a comprehensive overview of major advances in internal medicine and subspecialties geared specifically to internists, subspecialists, and family practitioners. Content will address commonly encountered conditions with emphasis on review of emerging science and current clinical practice guidelines with practical strategies for integration of new concepts into daily clinical practice.

Saturday, April 10, 2021 (streaming live Central Time)

Awarding Credits

The Osteopathic Founders Foundation is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. The Osteopathic Founders Foundation designates this live virtual program for a maximum of sixteen (16) AOA Category 1-A credit and will report CME credits for all osteopathic physicians who complete the online evaluation and attestation following the program. Credit claimed should be commensurate with the extent of the physician’s participation in this activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Oklahoma State Medical Association (OSMA) through the joint providership of Saint Francis Health System and the Osteopathic Founders Foundation.

Saint Francis Health System is accredited by the Oklahoma State Medical Association to sponsor continuing medical education for physicians.

Saint Francis designates this live virtual activity for a maximum of 16 AMA PRA category 1 credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME approval will be requested for one (1) hour of CME credit from the Oklahoma State Board of Osteopathic Examiners for the Addiction Medicine panel.

CME approval will be requested from the Oklahoma State Board of Pharmacy for fifteen (15) contact hours of continuing pharmacy education.

Symposium Format

In anticipation of the continuing challenges of in-person gatherings, the 2021 symposium will be presented as a live webinar. Though we regret that we will be unable to convene in person as we have traditionally, we look forward to presenting a line-up of topics that reflect Dr. Staab’s commitment to exemplary clinical education. Our program will stream to you live in real time on a webinar platform and can be accessed via any computer, tablet, or smartphone with a high-speed internet connection.

Refund Policy

Refunds will be issued for all cancellations, received in writing, on or before March 12, 2021. An administrative fee of \$50.00 will be assessed. No refunds will be issued for cancellations received after March 12, 2021 or for conference “no shows”.

Enrollment/Registration/Fees

Pre-registration is required to allow us to prepare program materials for participants in advance of the symposium.

To register go to **www.staabsymposium.com** or call **918-551-7300**.

Registration Fees are as follows:

\$275	On or Before March 19, 2021
\$325	After March 19, 2021
\$180	Retirees
