

2024 Richard C. Staab, DO Memorial Symposium Program Evaluation

At the conclusion of the symposium, please scan the QR code above to submit an overall program evaluation. This evaluation is NOT required, but it will help us plan for future symposiums. This is your opportunity to provide additional feedback about the venue, the agenda, the speakers, the food, the exhibitors, etc.

This evaluation is NOT required and does NOT count towards your required lecture evaluations.

Certificates will be sent via email 7 - 10 business days after the symposium OR once we receive all evaluations. If you have questions about your evaluations or your certificate, please contact Adrienne Kingsley at AKingsley@OsteopathicFounders.org.
