

**Preserving Our Future**

It is the exception, and not the rule, for one physician's name to be spoken across the country with the same amount of recognition and reverence; Dr. Richard C. Staab was that physician.

The OSU Internal Medicine program prepares residents who continue to be touched by his legacy; and it is our mission to change the exception into the rule. Every year, this training program graduates approximately ten internal medicine physicians who go on to carry his legacy either into practice or on to fellowship.

We, as their trainers, are committed to each one of these residents and see their potential to change the landscape of osteopathic medicine as Dr. Staab did during his time. Our commitment comes from a place that has been entrenched into our practice and we continue to put forward efforts, such as this symposium, to ensure this legacy is not lost.

**Richard C. Staab Internal Medicine Graduate Fund**

The fund was initiated for the purpose of supporting the ongoing educational needs of the residents and fellows in the Internal Medicine Department at OSU Medical Center. It's through funding such as this, that we are able to maintain the academic integrity of the physicians that OSU Medical Center continually places into the community. In addition, this memorial fund will also pay tribute to Dr. Staab, a prominent oncologist who had ties to Tulsa and understood the mission of training young osteopathic physicians. The proceeds of this symposium are deposited annually into the Richard C. Staab Internal Medicine Graduate fund to support ongoing education needs of the residents and fellows in the internal medicine department at OSU Medical Center.

## Awarding Credits

The Osteopathic Founders Foundation is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians. The Osteopathic Founders Foundation designates this live program for a maximum of sixteen (16) AOA Category 1-A credits and will report CME credits for all osteopathic physicians who complete the necessary evaluations and attestation following the program. Credit claimed should be commensurate with the extent of the physician's participation in this activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Oklahoma State Medical Association (OSMA) through the joint providership of Saint Francis Health System and the Osteopathic Founders Foundation.

Saint Francis Health System is accredited by the Oklahoma State Medical Association to sponsor continuing medical education for physicians.

Saint Francis designates this live virtual activity for a maximum of 16 AMA PRA category 1 credits<sup>TM</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CME approval will be requested for one (1) hour of CME credit from the Oklahoma State Board of Osteopathic Examiners for Dr. Ahmad Khattab's lecture.

CME approval will be requested from the Oklahoma State Board of Pharmacy for fifteen (15) contact hours of continuing pharmacy education.

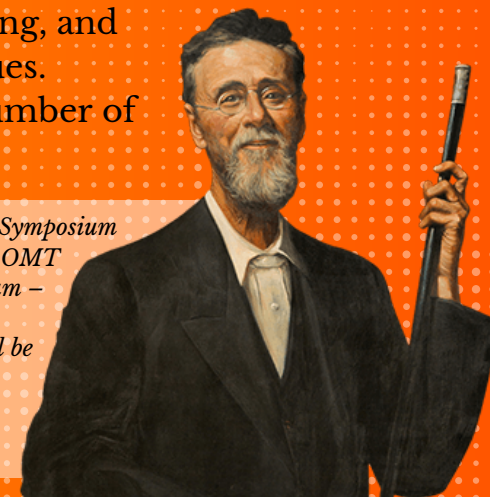

Saturday, April 2, 2022

## Sunday, April 3, 2022

**NEW THIS YEAR:** Join us *Sunday, April 3* for a 4-hour hands-on bonus OMT seminar. You can earn an additional four (4) hours of AOA CME credits as Turner Slich, DO and his team provide engaging lectures, hands-on training, and other integrated learning techniques. This add-on will have a limited number of participants.

Participation in the Richard C. Staab, DO Memorial Symposium is required to be eligible for this add-on seminar. The OMT seminar will take place Sunday, April 3rd from 7:00am – 11:00am in the 3rd Floor OMM Lab at the Tandy Academic Medical Building. A working breakfast will be provided. Due to limited space, pre-registration is required. Please note that early registration discounts will not apply to this seminar.

## Refund Policy

Refunds will be issued for all cancellations, received in writing, on or before March 4, 2022. An administrative fee of \$50.00 will be assessed. No refunds will be issued for cancellations received after March 4, 2022 or for conference "no shows."
